Yogeshwarakannan M
Resume

PERSONAL DETAILS

Birth	June 12, 2025
Address	NO:8/31 vakilnagalingam pillai street
Phone	91+915975100
Mail	`warayogesh2@gmail.com`

EDUCATION

B.E Artifical Intelligent Machine learning `2024-2028`

M. Kumarasamy College of Engineering

I actively participate in workshops, seminars, and department activities to expand my knowledge of AI technologies. I am building my skills in problem-solving, coding, and modern machine learning tools to prepare for future opportunities in the technology field.

PROJECT

Project 1 `2025-present`

Title: Eventhub for students

A web-based event management platform developed using Django for college students and administrators. Enables smooth event creation, registration, and communication with AI-powered features and a modern UI

Project 2 `2025-present`

Title: Campus Connect

A web-based platform built using Django, designed to manage college assignments and events efficiently. The system allows teachers to upload assignments, students to submit work online, and admins to approve campus events. It includes secure login for different users like students, teachers, and admins, with a simple and responsive interface

SKILLS

Programming Languages : Python
Web Technologies : Django, HTML, CSS
Languages Known : Tamil, English
